

**Model : ON-AC-76B Metal access controller with remote control –EM 125Khz**

## Features :

- 1.Dimension:120x76x27mm
- 2.User capacity : support 8000 users
- 3.Color:silver
- 4.Card type: EM ID card
- 5.With refrared remote control
- 6.Wiegand: WG26/34 input and output port.
- 7.Manager card to issue new card or delete card etc.
- 8.Support four type opening method: CARD, PIN, CARD+PIN
- 9.Weight:0.5KG/pcs
- 10.Package:180x105x43mm

## Specification :

Weight	0.5 Kg/Pcs
Color	silver
reading distance	5-10cm
working temperature	- 20 °C -- 70 °C
working humidity	0-95%
Static electricity	≤50mA
Open time	0-255 s (adjustable)
working voltage	DC 12 V
static current	50mA
