

Model.: **ON-C19Q**

## Network Panorama HD Outdoor Waterproof Camera

### Product Features

- Smart H.264
- 180 degree panoramic 1080P real-time image transmission
- Support 433 connection smart kit
- Brings smart P2P penetration technology
- Support screen 180° rotation
- Support multi-user remote preview
- Support standard ONVIF2.4 protocol, compatible with mainstream NVR devices such as Hivision and Dahua

### Technical Parameters

System	Main processor	F23+FH8632V2
	Operating system	Embedded LINUX operating system
Video	Image Sensor	2 mega CMOS
	Image coding standard	Smart H.264
	Monitor image quality	1920*1080/640×360

	Recording quality	640×360
	Image motion detection	Support
	Minimum illumination	0.1LUX/F1.2
	Capture function	Support
	Video Flip	Support
Audio	Coding standard	G.711/G.726
	Audio input	Support
	Audio output	Support
Recording management	Cloud storage	Support (24/7 mobile monitoring)
	Recording mode	Manual recording, Timed recording, Alarm recording
	Recording save	TF card Max. 64GB\computer\mobile phone
	Remote playback	Support
	Alarm Trigger	Video push, <b>voice alarm reminder + red light flashing</b> , alarm recording
Internet	Wired network port	RJ-45 10-100MB Adaptive Ethernet interface
	Wireless network	802.11b/g/n
	Code stream	Double stream
	APP	CareCam
	Network protocol	Support TCP/IP, RTSP, Onvif ...
	WIFI networking	Scan code + AP distribution network
Powered by	Power supply	DC 12V 2A
	Power consumption	<24W

Surroundings	Operating temperature	-10°C - + 55°C
	Operating humidity	10% - 90%
Other	Lens	1.44MM 180 degree panoramic HD lens
	Light board	Dot matrix light7 lamp (4 red +3 infrared)
