

# Model : **ON-F5** 3MP 360 degree VR Panoramic Camera

## FEATURES:

- With privacy light
- Support blue tooth searching and matching, faster configuration
- G sensor compatible with ceiling and wall mounted, self adaptive in image.
- Support wired and wireless connection, with WIF hot spot, video storage can be done without network
- Motion detection, alarm push
- APP alarm push,
- Two way audio, keep in touch with the monitored place
- Auto IR LED, 24 hours monitor can be ensured
- TF card max 128G, plug and storage start
- Easy to be used
- One key on/off video recording
- Fix speed touring, self touring on image
- Fast video searching, time progress bar searching video, find video by time
- Network self adaptive, no need network configuration

## Specification :

Model	ON-F5
CPU	HI3518EV200
sensor	300 MP 1/2.4" CMOS sensor
IR-Cut	support
lens	1.19mm fish eye lens
minimum light	black withe 0 Lux
RTC	NO support
<b>Light</b>	
IR light	8pcs IR Array LED, IR distance 5-10m
light mode	day/night (black white) / auto
<b>Interface</b>	
audio input	built-in mic

audio output	built-in speaker
reset	with reset button, used to match code, reset
WiFi	built in 2.4G antena
TF card	support max 128G
RJ45 interface	10-100M self-adaptive
indicator light	at bottom of cable, LED flash means AP mode, LED keep light means connection well
<b>Compress standard</b>	
video compress stander	H.264 Main Profile
audio compress stander	AAC
<b>Image/code stream</b>	
resolution	1536X1536
code steam	1536X1536@15F main stream 320X320@15F sub stream
OSD	support
<b>Internet</b>	
internet protocol	TCP/IP, HTTP, ICMP, UDP, ARP, IGMP, DHCP, DNS, NTP, RTSP
ONVIF	support
APP	IPpro
<b>Environment</b>	
working temperature/moisture	-20℃ - 50℃ / 20% - 80 %
power in	5V/1A
consumption	3W
