

Model : **ON-ISP2021V-W** 2MP WiFi Mini PTZ Speed Dome Camera (Vari focal Lens)

Features :

- ✧ 2.5 inch mini housing small dome, outdoor waterproof IP66 level.
- ✧ Supports WiFi, TF card storage Max. 128GB
- ✧ 6 high-power Taiwan crystal infrared lamps, 4 white lights – distance up to 20M ; 2 pcs IR LED infrared – distance up to 40M
- ✧ Rotate 0°-355 °horizontally and rotate 0°-90 °vertically;
- ✧ Support two-way audio (built-in pickup, loudspeaker.)
- ✧ Support ONVIF protocol, it is compatible with hikvision and other mainstream brand NVR
- ✧ APP : IPPro

Specification :

Model	ON-ISP2021V-W
Image sensor	1/2.9" CMOS 200W Sensor
Chipset	Hisilicon 3516EV100
Image compression	H.265/H.264
Audio compression	AAC/G711A
Valid resolution	1920×1080
Stream	Main stream: 1920*1080; sub stream: 640*360
Frame rate	15fps
Image adjustment	Saturation, brightness, contrast and sharpness are adjustable through WEB.
Illuminance	Color 0.01 lux、 black and white 0.001lux
Camera lens	2.8-12mm vari-focal Lens
Day/Night	Automatic switching of IR CUT dual filter day and night
white balance	Automatic / manual
Noise reduction	3D digital noise reduction
Infrared light source	6 high-power Taiwan crystal infrared lamps, 4 white lights, infrared distance up to 40 meters, white light distance up to 20 meters
Storage	Optional TF card storage function (maximum to support 128G)
Interface protocol	ONVIF
Support protocol	TCP/IP、 HTTP、 UDP、 DHCP、 DNS、 NTP、 RTSP
Intelligent alarm	Motion detection
Audio function	Support two-way audio
WIFI	With wireless WIFI
Speed	Level 0.1 ° - 20 ° / sec; vertical 0.1 °- 20 ° / sec;
Cruise line	4 cruising routes
communication interface	1 RJ45 10M / 100M adaptive Ethernet ports
Power input	DC 12V
Power consumption	Daytime: <10W Night: <15W
work environment	-25 C - 55 C, humidity less than 95% (no condensation).
Installation	Installation on wall
