

Model : **ON-PJ2420-DL-4G** 2MP 4G Dual light source camera

Features :

- Super low illumination, accurate photos, night as beautiful as day
- Video Resolution:2.0 mega pixels
- Function optimization, intelligent mode switching, automatic white balance;
- color reproduction, realistic color rendering, better image effect
- Dual stream, resolution, frame rate, video quality optional
- Easy-to-view P2P one button remote, network plug and play
- Support ONVIF protocol to ensure interconnection of network video surveillance
- **APP : IPpro**

Specification :

Item	ON-PJ2420-DL-4G
Resolution	2.0MP
Sensor	1/2.7"CMOS
Lens	4/6mm
Video stream	Main stream:1920x1080 ; sub stream:720x576
Encoding	128K-768Kbps network adaptive
Frame Rate	15fps
Video Compression	H.264
Audio	AAC/G.711A-Law 8k16bit , two way audio
Min. Illumination	Color: 0.1Lux,B/W:0.01 Lux
OSD	Date Time & Title
Onvif	Support Onvif 2.4
Supplement light	2.white light ; 2infrared
Light supplementing mode	Star-light mode、infrared mode、intelligent mode
IR Distance	30 meter
White light distance	20 meter
SD card	Up to 128GB
RJ45 network port	Not support
4G	support4G
RTC	support
Power supply	DC12V1A/POE optional
Power consumption	≤6W
