

Model : **ON-PO1021W** 2MP WiFi Bullet Camera

Features :

1. 1080P HD resolution, H.265 compression
2. Support cloud storage and max 128G SD card
3. Infrared night vision
4. Motion detection + PIR linkage detection alarm
5. Support two-way audio
6. Support wireless matching code to wireless NVR, base station
7. APP : IPpro

Specifications :

model	ON-PO1021-W
sensor	2MP 1/2.9" CMOS sensor
light sensor pe	light sensor resistance
IR-Cut	support
lens	4mm
mix luxury	black white 0 Lux
IR light	3pcs array IR light, suggested use in 5-10m
light mode	day/night (black white) /auto
audio input	built-in mic
audio output	built-in speaker
reset	with reset button, used to match code, reset
WiFi	built in 2.4G antenna
Record	Support cloud storage and SD card, Up to 128G
RJ45 interface	10-100M self-adaptive
video compress stander	H.264 /H.265
audio compress stander	AAC
resolution	1920x1080 (1080P)
code steam	1920x1080@15F main stream ; 640x360@15F sub stream
ONVIF	Support
internet protocol	TCP/IP 、 HTTP 、 ICMP 、 UDP 、 ARP 、 IGMP 、 DHCP 、 DNS 、 NTP 、 RTSP
Onvif	V2.4
working temperature/moisture	-20°C - 50°C / 20% - 80 %
power in	12V-1A DC
consumption	3W
PIR	suggested use in 7meter in 60 degree area
